

YOUTH SKILLS CONNECTIONS PROGRAM

Enhanced Business Development and Project Management

COURSE OUTLINE

This course will run from May 14th -18th 2018, 9-4pm at Lambton College in room K207

This course is designed to prepare you with hands on skills and knowledge to be effective in today's workforce and prepare you with what you need to exceed in business. Topics such as project management, presentations and social media marketing are just a few of the included content.

This course has been developed and will be taught by serial entrepreneur Brian Maxfield. Brian has built several businesses which include illumiTap, CrystalKayak and RentalTrax.

Co-op eligible students can apply Level 2 hours to their co-op placement hours.
